

LAZARUS CHURCH

Safely Together Guidelines for Outdoor Live Worship

Thank you for joining us in worship and celebration! Lazarus Church is committed to providing a welcoming and safe worship opportunity for all. Below are our "Safely Together" guidelines consistent with the CDC and Governor's Office for best practices in reopening.

Non-Contact Greeting: We enthusiastically welcome you to Lazarus without our normal handshakes or hugs to remain no-contact. Air-hugs and hearty "hello's" are strongly encouraged!

Non-Contact Service: During worship the pastor and musicians are located 15 feet or more from the front row. Service elements such as offering and communion have been revised for your protection to remain hands free. The bulletin can be accessed from your smartphone at LazarusChurch.com/worship (a few print copies will be available as well). Coffee and refreshments will not be provided at this time but you may bring your own.

Social Distancing: As you arrive and exit, please maintain at least a 6-foot distance from individuals not in your household. As you set up your lawn chair or hammock, please be mindful to do so 6-10 feet (think 3 to 4 big steps) away from the nearest household group.

Sanitation: Commonly contacted surfaces are sanitized after setup and hand sanitizer is stationed in accessible locations for your use. The bathrooms and a diaper changing station are available in the school for washing hands.

Face Coverings: We request that all attendees wear a mask (that covers both nose and mouth) out of an abundance of love for one another and particularly for the sake of those at higher risk. Lazarus offers free individually-sealed masks as you arrive should you need one. Face coverings are required in the building for restroom or changing station use.

Online Worship: At-risk individuals or anyone demonstrating symptoms of illness are strongly encouraged worship with us via the live stream at www.LazarusChurch.com/worship.

Children's Message: The children's message will be during the service so that children will not be dismissed during the sermon. Families are encouraged to bring activities and snacks for your children to enjoy during the service. Don't worry about little ones making noise. The sound of children is the sound of a growing family of God!

Giving: For your health and safety we will not be taking an offering during worship. A hands-free offering box will be located on the table with the cross or offerings can be made online at www.LazarusChurch.com (select the "GIVE" tab).

Safely Together Guidelines

WEAR A FACE COVERING

Love for others starts right here!

Please make sure your mask covers both nose and mouth.

(Masks are required if you need to enter the building for restrooms or a diaper change.)

MAINTAIN PHYSICAL DISTANCE

Greet others with an "air hug" and a hearty hello! Be mindful that the person standing/sitting next to you may be higher risk than you.

SET UP YOUR CHAIR SAFELY

Set up your chair or hammock 6-10 feet (3-4 large steps) away from the nearest household group.

NO-CONTACT SERVICE

Visit LazarusChurch.com/worship to access today's bulletin. Click the "GIVE" tab or use the touch-free box on table with the cross to make an offering.
